

Soils and Fertilizer Day

Includes Ohio Agricultural Fertilizer Applicator Certification

**This 3-hour training fulfills Ohio certification requirements from the Ohio Dept. of Agriculture

Featuring

- Tom Puch, Agronomist, Agland Co-op
- Ryan Haden, Ohio State University

Wednesday

July 26

10am-1:30pm

Hosted by:

Myron Wehr Farm

15404 St. Rt. 46, New

Waterford, OH 44445

Cost: \$5

Contact: 330-533-5538

Topics Include:

- Soil fertility
- Ohio's Fertilizer Certification Program overview
- Tri-State Fertilizer recommendations
- Precision Ag

Who needs the agricultural fertilizer certification?

Fertilizer certification is required if you apply fertilizer (other than manure) to more than 50 acres of agricultural production grown primarily for sale. If you hire a co-op or other custom applicator to make your fertilizer applications, you do not need the certification.

What will be covered in the training?

Best management practices will be the basis of the agricultural fertilizer certification training with a focus on fertilizer applications that have the appropriate rate, timing, placement and source.

Registration Form:

Please complete and return with check or money to:

OSU Extension, Mahoning County
490 South Broad Street
Canfield OH, 44406

<http://mahoning.osu.edu>
