

Livestock Mortality Composting

FRIDAY, DECEMBER 14 • 12 P.M. – 2 P.M.

SPEAKER: Rory Lewandowski, OSU Extension

It's not the most talked about topic on the farm, but yet it is one of the more important things to think about if you own livestock. Livestock mortality is part of raising livestock, so you need to have a plan in place when the need arises. Composting is a common practice, but there's some things you should know before you try it. Join us to learn more and **become certified in Livestock Mortality Composting.**
