THE OHIO STATE UNIVERSITY EXTENSION

# Naturalist Series: Backyard Bird Feeding

SUNDAY, DECEMBER 2 • 4 P.M. – 5 P.M.

Ohio is home to a rich variety of resident and migrant birds that live most or all of their lives around our homes, towns, and natural areas—some 419 species in total! Nearly one-fifth of the population (forty-seven million Americans) and 27% of Ohioans describe themselves as “birders”. Bird watching is second only to gardening as the most rapidly growing leisure interest. Join the Audubon Society of Western Pennsylvania to take a look at some of the best techniques in attracting birds in your backyard, from feeder types and seeds, to native plants and cover, and what birds you can expect.

**LOCATION: Fellows Riverside Gardens, 123 McKinley Ave., Youngstown, OH 44509**

**CONTACT: 330-533-5538**

**COST: FREE**

**REGISTRATION INFORMATION.** Registration includes program and handouts.

Please mail to 490 S. Broad St. Canfield, OH 44406, fax (330-533-2424), or drop off the registration to the OSU Extension Office in Canfield. The program is filled on a “first come, first served basis.”
