

Naturalist Series: Aquatic Invasive Species in Ohio

Thursday, September 29th • 6:30 P.M.

SPEAKER: Eugene Braig, Program Director – Aquatic Ecosystems

Join us for a discussion of aquatic invasive species (AIS) to have invaded Ohio. We'll cover some history of invasives in North America and the state, discuss the regulatory/management setting for AIS, and some ways in which volunteers can assist in the fight against biological invasions. We'll finish by reviewing some species of concern that are recently on the move.

Speaker: Eugene Braig, Program Director- Aquatic Ecosystems

Class to be held IN-PERSON at the Mahoning County Extension Office: 490 S. Broad St., Canfield, OH 44406

COST: FREE

***Current health guidelines and regulations will be followed.**

REGISTRATION INFORMATION. Registration includes program and handouts.

Please mail to 490 S. Broad St. Canfield, OH 44406, fax (330-533-2424), or drop off the registration to the OSU Extension Office in Canfield. The program is filled on a "first come, first served basis."
