

Good Natured Garden Partners (GNGP)

Good Natured Garden Partners is a collaboration with schools and youth programs of the Mahoning Valley. Youth will team up with an adult to form a 'growing team'. Teams could be sponsored by community organizations.

Good Natured Garden Partners strives to:

- Foster positive youth development
- Enhance nurturing relationships
- Develop a sense of ownership
- Generate an appreciation of plants
- Promote understanding of food production
- Reward positive behavior and achievement
