Self-Determined Project Guide

by Bob Horton and Kathy Cox,
Extension Specialists, 4-H Youth Development

Project Background

A 4-H Self-Determined Project is an opportunity for members to go beyond the scope of their current project or to explore a topic that is unavailable as a project book. Self-Determined Projects on the same topic may be repeated if new areas of interest, learning experiences and leadership/citizenship activities are selected. Not sure what topic to explore? You can get some great ideas by reviewing the Idea Starters available online at ohio4h.org/selfdetermined.

Project Guidelines

1. Identify a possible topic for your project.
2. Complete the Planning Your Adventure section (Steps 1 through 3) of this guide by discussing and researching your topic, by planning and completing at least two learning experiences, and by planning and completing at least two leadership/citizenship activities.
3. Complete the Conducting Your Adventure section by identifying and completing three areas of interest and three activities within each area.
4. Complete the Reporting Your Adventure section of this guide.
