

Naturalist Series: Skulls Tell It All

WEDNESDAY, March 20 • 6:30 P.M.

**SPEAKER: Stephanie Hughes, Master Gardener
Volunteer and Ohio Certified Volunteer Naturalist**

Ohio is rich in so many natural resources, and our native mammals are a wonder. From the smallest shrew to the previously extirpated and now re-establishing black bears, we see nature balancing our dynamic of predator/prey relationships. Mammal skulls - shape, eye socket placement, dentition, and other clues - give us evidence of activity, food sources, territory, and mating habits. Come along as we venture into the Ohio world of mammals.

**Class to be held IN-PERSON at
the Mahoning County Extension
Office: 490 S. Broad St., Canfield,
OH 44406**

**COST: \$5 or \$30 for the entire
Naturalist Series**

REGISTRATION INFORMATION. Registration includes program and handouts. Please mail to 490 S. Broad St. Canfield, OH 44406, and make checks payable to OSU Extension. Drop off the registration to the OSU Extension Office in Canfield. The program is filled on a "first come, first served basis."
