

Naturalist Series:

An Update on Ticks in Ohio

WEDNESDAY, April 17 • 6:30 P.M.

SPEAKER: Tim McDermott, Extension Assistant Professor, Agriculture and Natural Resources

Ohio has gone from one tick of medical importance to humans, companion animals, and livestock in the past twenty years to five now, including two new ticks in the past few years. This has caused an increase in disease transmission including fatalities in cattle. Learn the state of ticks in Ohio and how you can keep yourself, your family, and your animals tick-safe.

Class to be held IN-PERSON at the Mahoning County Extension Office: 490 S. Broad St., Canfield, OH 44406

COST: \$5 or \$30 for the entire Naturalist Series

REGISTRATION INFORMATION. Registration includes program and handouts. Please mail to 490 S. Broad St. Canfield, OH 44406, and make checks payable to OSU Extension. Drop off the registration to the OSU Extension Office in Canfield. The program is filled on a "first come, first served basis."
