COLLEGE of FOOD, AGRICULTURAL, and ENVIRONMENTAL SCIENCES

Naturalist Series:

The Magic of Native Plants – How to Create
an Ecologically Functional Landscape

WEDNESDAY, July 17 • 6:30 P.M.

SPEAKER: Jen White, Portage Parks

We often separate ourselves (and our landscaping) from the rest of the environment, but we are connected, and our landscaping choices can have a profound impact on our local ecosystem. Learn how to use native plants and ecological landscape design in your yard to create a habitat that supports our local pollinators, birds, and other wildlife.

**Class to be held IN-
PERSON at the Mahoning
County Extension Office:
490 S. Broad St., Canfield,
OH 44406**

**COST: \$5 or \$30 for the
entire Naturalist Series**

REGISTRATION INFORMATION. Registration includes program and handouts.

Please mail to 490 S. Broad St. Canfield, OH 44406, and make checks payable to OSU Extension.

Drop off the registration to the OSU Extension Office in Canfield. The program is filled on a “first come, first served basis.”
