

CFAES

Naturalist Series:

Mahoning County Rocks

WEDNESDAY, October 23 • 6:30 P.M.

SPEAKER: Diana Alexander, Geologist and YSU Adjunct Faculty, Department of Physics, Astronomy, Geology, & Environmental Sciences (PAGES).

Sandstone, limestone, shale, oh my! What do the rocks of Mahoning County tell us about the geologic past? While examining samples and materials, learn about how the environments through geologic time have shaped and formed Mahoning County into what we see today. From subtropical shallow seas to mile-thick ice sheets, Mahoning County geology rocks!

Class to be held IN-PERSON at the Mahoning County Extension Office: 490 S. Broad St., Canfield, OH 44406

COST: \$5 or \$30 for the entire Naturalist Series

REGISTRATION INFORMATION. Registration includes program and handouts. Please mail to 490 S. Broad St. Canfield, OH 44406, and make checks payable to OSU Extension. Drop off the registration to the OSU Extension Office in Canfield. The program is filled on a "first come, first served basis."
