

2024 New and Revised Ohio 4-H Curriculum

ANIMAL SCIENCE

Assistance Animals in Action (201)

- Members learn how animals, especially dogs, can “lend a paw” to help others.
- Opportunities for youth to learn about the human-animal bond, zooeyla, and the work of three types of assistance animals.
- Advanced level. State fair eligible.

ANIMAL SCIENCE

Coming Soon!

Gymkhana (186)

- Youth will learn everything they need to know to excel in gymkhana events.
- Members will learn the patterns of gymkhana, including barrel and flag races.
- This project requires access to a horse.
- Use with 190R Equine Record Book.
- Intermediate level.

ANIMAL SCIENCE

Roping (187)

- Youth will learn about the history of roping and the different types of ropes and how they are made.
- Several types of roping events are featured—ground, roping, mounted competition, breakaway roping, goat tying, tie-down roping, and team roping.
- Project may be repeated.
- 190R Equine Record Book is required if participating in mounted events.
- All levels.
