

4-H Spotlight- Social Media Campaign

Any Day, Any Time

Is your 4-H club or 4-H members doing something cool? Do you think they deserve a shout out? Send information on what they are doing and a few photos to Eisenhauer.30@osu.edu for them to be spotlighted on the Mahoning County 4-H Facebook page. We want to share all the great things our 4-H family is doing!

- Posts must be related to 4-H Club or a 4-H project.
 - i.e. mentoring a younger 4-Her, competing at a 4-H event, club community service project, etc.
- 1 Spotlight will be posted each week on Monday morning.
- Content will be posted in order that it was received.
- Posts about a single child will not be posted back to back.
