

## STOP Tobacco Class

STOP Tobacco Class is specifically designed for youth under the age of 18 who use tobacco products. During the course of the class youth will participate in several activities with goals to:

- Educate youth about the short-term and long term financial costs of tobacco use
- Educate youth about the effects of tobacco use on their health
- Educate youth about the dangers of vaping
- Educate youth about ways to disrupt their tobacco use habit if they want to stop using tobacco products

STOP Tobacco Class is a collaborative program presented by the Mahoning County Juvenile Court and Mahoning County 4-H.
