We believe in the power of young people. We see that every child has valuable strengths and real influence to improve the world around us. 4-H is America's largest non-profit youth organization – empowering nearly 6 million youth across the U.S. with the skills to lead for a lifetime.

The endowment fund helps us ensure that our Mahoning County youth are able to experience all that 4-H has to offer. The endowment is an interest-bearing account maintained at The Ohio State University. Each year the 4-H Advisory Committee receives an interest check from the endowment account. The money is spent to send our youth to state and national camps, to train volunteers, for educational supplies and to promote 4-H in Mahoning County.
