

BRING ONE...TAKE ONE

FLOWER AND SEED EXCHANGE

August 12, 2017

10:00 am - 11:30 am

Canfield Fairgrounds (next to Pumpkin
Bldg)

Bring plants @ 10:00 am for ID and to view selection
Exchange starts promptly @ 11:00 am

Bring plants, seeds, or bulbs to share...

Label each plant so the new owner will know the name, planting instructions, color, bloom, seasons, ect. Houseplants are welcome! Rules on back.

Containers, Tools, and Garden Art Exchange...

If you have extra shovels, gardening tools, aprons, pots, unopened soil & fertilizer and garden decorations, bring them along and see what you can exchange them for! These items must be in good condition, clean, and useable.

Name that Plant!

Master Gardener Volunteers and staff will help you with plant ID and labeling. We'll get you the common and botanical name. No invasive plants permitted.

Bring your Gardening Questions

Have your gardening questions answered by Master Gardener Volunteers at the event.

THE OHIO STATE UNIVERSITY

COLLEGE OF FOOD, AGRICULTURAL,
AND ENVIRONMENTAL SCIENCES

OSU Extension - Mahoning County
Master Gardener Volunteer Program
490 S. Broad Street | Canfield, OH 44406 |
330.533.5538|mahoning.osu.edu

CFAES provides research and related educational programs to clientele on a nondiscriminatory basis. For more information: <http://go.osu.edu/cfaesdiversity>

RULES FOR EXCHANGE:

1. Each person bringing an item will be asked to obtain one plant, bulb, or seed package at the ringing of the bell;
2. If additional items remain, each person will be asked to obtain a second item at the next ringing of the bell;
3. If additional items still remain, each person will be asked to obtain a third item at the next ringing of the bell;
4. And so on until all items have been distributed fairly.

Come enjoy the morning with fellow gardeners
in and around the Mahoning Valley!

PLANT TIP: Transplant perennials in early spring just after growth starts or in early September. To relocate perennials during the main growing season, remove all flowers and cut back foliage. Water frequently as needed for good establishment.

PLANT TIP: Avoid selecting plants in bloom unless you must be assured of specific color. Remove any flowers at planting time to promote root establishment.
