

Clothing and Textile Sciences

*Denotes Project is Eligible for State Fair

Participation Guidelines: 4-Hers who take more than one clothing project must complete separate learning experiences related to each including creating a separate, total look outfit for EACH project. Members must wear project garment at Clothing Judging. (dressing rooms will be provided) This is so the judge can evaluate the proper fit. Garments will be judged for construction and a construction award will be given.

Style Revue- Style Revue is a fashion show that the youth will be able to showcase their outfits during the project judging event. Those interested in participating will need to complete a narration card. This will be provided to you on judging day. If you would like to see a copy of the narration card, please contact the Extension office.
