The Recovery of Bald Eagles and Osprey in Ohio

This presentation will compare and contrast the life history of the two fish-eating raptors and discuss the details of their recovery in Ohio and in North America, as well as highlight ongoing challenges to the species.

**Laura Kearns, Wildlife Biologist, Ohio Division of
Wildlife**

REGISTRATION INFORMATION. Registration includes program and handouts and is on “first come first serve basis”. Please mail to 490 S. Broad St. Canfield, OH 44406, and make checks payable to OSU Extension.
