

## Looking to make a difference this Holiday Season?

Give the gift of continuous learning to the Mahoning County Community!

### Why Give?

It takes a village to run successful programs! We're asking for your help as we work to eliminate the barriers this year has inflicted, so that we will be able to continue providing opportunities for our community to learn, grow and thrive. This generous donation will allow you to become a larger part of our buckeye family. Please visit

Thank you  
for your  
support!

### Why Now?

The CARES Act expands charitable giving incentives and allows taxpayers who take the standard deduction to make up to \$300 of charitable contributions to qualified charities this year. For those who do itemize their deductions, the new law allows for cash contributions to qualified charities to be deducted up to 100% of your adjusted gross income for the 2020 calendar year
