Protecting Your Natural Resources Soil: Where It All Begins

Learn more about the importance of soil health. Reducing soil erosion, increasing biodiversity, and improving water infiltration can be achieved by implementing best management practices on your ground. Informational handouts on the topics covered will be provided.

Speaker: *Amy Reeher, District Administrator/Watershed Coordinator Trumbull Soil and Water Conservation District*

Credit Cards are now accepted. Call 330-533-5538 to register.

Cash, Credit Cards, or Checks made to OSU Extension accepted. No refunds.
