4. *Recipe for your food item must be presented along with the food item.*

5. *A Portfolio displaying your knowledge*

- *The Portfolio is project specific and is used to enhance a conversation between the member and a judge about activities the member completed within the project. Participants will create a maximum of one page (one-sided only) per "activity area" or "interest area" as designated in the front of their project books. Each page could be different or can be a combination of styles allowing the 4-H'er to reflect on their learning experience. **There will be no points for scrapbooking style.***

6. *A judge interview*
