What NOT to Bring to Camp

- Cell Phones, iPods, Radios, pagers, walkman, MP-3 players, CD's, game boys or other electronic devices (we cannot be responsible for these items and they take away from the camp experience—most cabins have music in them).
- Weapons, including pocket knives
- Over the counter medications (we have a fully equipped health lodge). If a camper brings over the counter medicine, it must be checked in with our camp nurse at check in.
- Campers may be dismissed from camp if found possessing weapons, illegal drugs, alcohol or cigarettes.

Thank you for leaving these items at home!
